# BOOSTER DAY 1994

The theme for Booster Day '94 was "Decades". As always, each class showed the dedication, hard work, and ability to work together, needed to create the floats that formed the focus of the Booster Day parade. The seniors chose the ever popular 1960's, while the juniors chose the 1950's. The sophomore float depicted the Indian settlements at Turners Falls in the 1670's, while the freshmen went even further back in time, choosing the Egyptian period of 1230 B.C.! The sophomore float took the first place honors.

The Booster Day Dance was once again a success. A variety of students made up their own routines for the lip sync contest. Kelly Hubbard, Lisa Hescock, Eleanor Berwick and Julie Luippold won with their performance of "Hey Mickey".

# PROM 1994

The 1994 Prom was put on by the Junior class and took place at the Depot in Northampton. The theme of the Prom was "These are Days" by the 10,000 Maniacs. D.J. Ry provided us with a night full of music and Poppi provided us with pictures that will last a lifetime. Everyone received a mug and a picture frame containing a poem dedicated to the Seniors from Mr. Waters. Mike Emond and Sarah Valley were elected our King and Queen of the night.

# A TRIBUTE TO MR. EDWARD J. BOURDEAU

" The secret of my thirty-eight years of teaching - the kids. The reason we are really here is for the kids. Treat them fairly, discipline them, and help them when no one else will. They will inspire you, frustrate you, and make you laugh and cry, and they will always live up or down to your expectations. Make them reach, make them work hard and then love them for their efforts. Encourage them to compete on the academic and athletic fields and not on the streets. All they are looking for is your time to spend with them."

Mr. Edward J. Bourdeau

# REFLECTIONS ON THE WATERS

This yearbook could not be considered officially done by me or any other member of the class of 1995 without a proper and very gracious THANK YOU to our advisor for the past three years: Mr. Greg Waters.

Mr. Waters came to be our advisor after much begging and pleading, from various class members, during our sophomore year --after our previous advisor left. From the start, we were unsure where to pick up after our freshman year, but what made us come together (as a family) was the annual floatmaking competition. We all had to pull together, including our new advisor, to get the job done.

In the past three years he has also been an advisor who has led us down the unbeaten trail: we attempted new and unique fund raisers, not being sure what we were trying to accomplish. Everything we have done over these past three years has been new to both him and us as a group and through it all we have survived and maybe inadvertently learned something along the way. These past few years have also made Mr. Waters more than an advisor to us; he has become our father figure, counselor, guardian angel, a teacher in and out of the classroom, and most of all, a friend.

Although Mr. Waters will probably never become an advisor again, we are extremely grateful that he was ours.

AND...THE BURNING OF SHEFFIELD SCHOOL!

In the 4 years we have been in high school, we have grown from timid freshmen to self-confident and assured seniors. It seemed as though 4 years was a long way to go, but when we look back, we wonder where the time has gone. As Freshmen, we had our first floatmaking competition. The category was appliances; we picked a toaster and much to our dismay, we lost, but were proudly represented by Matthew Taggart and Malisa Little as our Knight and Lady-in-Waiting. The rest of our Freshman year was spent trying different fund raisers and Mrs. Lee's patience.

One of our greatest obstacles occurred in the beginning of Sophomore year: we had to find an advisor. Within a month's time, we roped in Mr. Waters who would stay with us the rest of the way. After we were sure we had an advisor, we got organized and began work on a float. With the category being games, we picked Trivial Pursuit, which we absolutely thought was a winner and yet we lost again. To brighten our spirits, Ovide Cadran and Becky Rushford were chosen as Duke and Duchess. Our Sophomore year ended with our biggest fundraiser of all: hats, T-shirts and boxers.

Our Junior year was our most accomplished year; we won our first floatmaking competition with The Wizard of Oz. Our class was represented by Chris Thurber and Christine Kennedy as Prince and Princess. Another accomplishment was our Prom. "These are Days" was held at the Depot in Northampton. Many of us received our licenses and took the P.S.A.T.s. By year's end, we had a car wash and bottle/can /coin drive. Also, who could ever forget the boxes and boxes of seat cushions we still have stored away!

Finally, SENIOR YEAR! We again started out with our float - the category was "Decades". After having won a competition, we didn't feel as if we needed another one, but still tried our hardest. With "The Sixties", we lost, but our school spirit shone through with Bill Allis and Kristi Brozo as our King and Queen.

All in all, the past four years have been full of experiences and memories which are certainly worth reflecting upon.

# UNDERCLASSMEN

"High School is a challenge in many ways. Freshmen have to catch on fast to the fact that everything counts (especially what they said to the person next to them in the hall). Sophomores know they have only one year behind them and two more to go. And Juniors glory in their "banner year" of being upperclassmen without the pressure of being Seniors."

Vicki Valley
Social Studies Teacher

# Class of '96

As Juniors this year, many new doors and opportunities are opening up to us. It is the time when we will start to look at colleges and think about our futures.

This year, Booster Day was an excellent experience for all those who participated. Although we did not take first place for our float, many long hours were put in by many. In the parade, George Olsen and Eleanor Berwick represented our class as Prince and Princess.

With the prom approaching, many of us have numerous jobs to accomplish. With Mrs. Luippold and Mrs. Powers as our advisers, this year's prom should be one in a million.

Remember, the choices that we make now will reflect upon the kind of individuals that we will become in the future. Have faith in and believe in yourselves - you can do anything you want!

Class Officers: Adam Graves, Treasurer; Jillian Mackin, President; Michelle Moore, Historian; Jessica Williams, Secretary; and Al Klaus, Vice President.

# Class of 1997

Class Officers: Mrs. Prasol co-advisor; Matt Brenner, Treasurer; Phil Villeneuve, Vice-President; Mrs. Brenner co-advisor. Kneeling: Tracie Wickline, Historian; Kate Black, Secretary and Carrie Sanderson, President.

The class of '97 has arrived. Under the influence of our new class advisors, Mrs. Brenner and Mrs. Prasol, the sophomore class took control of Booster Day and won first place for our float - a reenactment of the Indians at the Great Falls, providing us with the spirit.

Reigning as Duke and Dutchess, Sorrel Coulson-Evans and Staci Potyrala led our class to victory.

Selling environmental t-shirts was our first fund-raiser, providing us with a goal to build on and help us progress as a class.

The sophomore class has a strong spirit and a sense of pride that cannot be beat, and we will keep proving it until we leave Turners Falls High School.

# Class of 1998

Freshman year, what can you say? We started off the year feeling shy, misplaced, and not knowing where anything was. We went from the top of the heap to the bottom of the pile. But we quickly had to learn the ropes because Booster Day was right around the corner.

We quickly had to organize ourselves to build our first float. "Decades" was the theme and we chose the "30's", the 1230's B.C., that is. After many nights of papier mache, chicken wire and spray paint, we came out with a float we were proud to call our own. Even though we didn't win, the float did make it from the Collette's house to Unity Park in one piece.

This year, we were represented by Liz Klaiber and Adam O'Sullivan as our Lady-in-Waiting and Knight.

We grew more accustomed to being high school students as the year went on. So watch out everyone, here we come!

Dear Evan,
I know that you would like to believe that "all you really need to know you learned in kindergarten." If only it were that easy! Set your goals high and dare to follow through with them. Always remember we're here for you babe!
We love you,
Mom

Malisa,

Your first 18 years you were guided and nurtured by your family and loved ones. We hope that we have taught you to be a positive person and look for the good in everything. As you take over and go out on your own, never give up on yourself. Keep your good humor, your determination, your love of life. These are very special gifts which are within you and will carry you on to a successful and meaningful life.

Malisa, we couldn't have asked for anything more in a daughter. We wish you nothing but the best in whatever you decide to do in your future years. We love you very much and will always be here for you.

Love always, Mom and Dad ♥

Lisa,

Thanks for being such a great "big" sister! Good luck with your future plans.

Love,
Tim and Todd ♥

Mandy -

A daughter is an embarrassing and ticklish possession.

Congratulations

Love, Dad, Mom, Barney and Tia

Damon,
We wish you the best of luck, much happiness and success in all your future decisions.
Love, Mom, Dad and Joe

Bucky,
The years have gone by quick. You are an alright brother even though I didn't get to hold the lion cub with you. Good luck.
Love, Jocelyn
